

ST IPPOLYTS PARISH COUNCIL

DON'T LET OUR PARISH BE TORN APART

Our parish is at threat of being spilt, North Ward could go into Hitchin, only South Ward will remain rural.

- North ward would no longer be part of the St Ippolyts community.
- North ward residents would no longer have any voice on local matters.
- South ward would be financially crippled, Parish amenities could suffer from less maintenance and parish projects such as the Football and Bowls pavilion would be threatened.

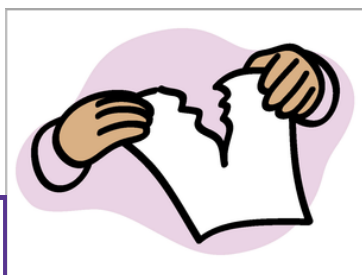

To prevent this we need **YOUR** support so we can demonstrate that St Ippolyts parishioners want to stay united.

DON'T LET OUR PARISH BE TORN APART

Respond to the consultation and say **NO**
